

# JavitsCares

## **Are you an Exhibitor or Show Organizer with donations?**

The Javits Center's JavitsCares program donates items left behind by events to community groups who distribute the items to New Yorkers in need.

### **First, please answer the following questions.**

1. Are you unable to reuse this item at future events?
2. Is your item in good condition? In other words, would you put it in your living room?
3. If it's a breakable item (such as ceramics, glassware, or electronics), will you pack it safely and securely?
4. If it's an electronic or multi-part furniture item, will you include all necessary components so it can be successfully reused?
5. If it's food, is it shelf-stable (non-perishable)?
6. If it's a plant, is it potted for easy transport?

**If you can answer YES to ALL the above questions, take a sheet of JavitsCares stickers from the Exhibitor Solutions desks, label your donations, and leave them at your booth. You're all set.**

Our cleaning teams will ensure that the items are stored for donation, and our Sustainability Team will ensure that they are picked up by local nonprofit organizations in a timely manner. For more information on the Javits Center's sustainability initiatives, visit [javitscenter.com/en/sustainability/](http://javitscenter.com/en/sustainability/).

**Thank you for donating through JavitsCares!**
